## 1<sup>st</sup> Annual Truck Touch @ HTCC

Dear Business neighbor,

Hanover Township Community Center staff is always looking for ways to provide innovative programs at affordable costs. I believe that HTCC will be hosting a new and annual event that the residents and neighbors will love- A Truck Touch! What is a Truck Touch? This is an opportunity for children to come to the Center and see the trucks they love so much! What kind of trucks? Big trucks, little trucks, dump trucks, bakery trucks, and any interesting unique vehicle we can find!

Why would you want to participate? Visibility- I don't know of a better way to promote your business in a community then at an event like this. Bring your truck to our venue and let the kids touch it, see it, and maybe even sit behind the wheel!! You can hand out promotional information or a fun giveaway.

We are asking families for a donation to participate- this allows us to raise funds for other programs that are more costly to run; keeping our memberships and program fees at an affordable price. The buzz around the center is excitement- families are looking forward to this event. All we need is you!

Please contact me at 610-317-8701 if you can participate with your favorite vehicle!

Plans are in place to have the Township Trucks available, Volunteer Fire Company, Ambulance, and even the Hospital Helicopter will be here. **When: Sunday- June 1, 2008 / 1 – 5 pm**

I look forward to hearing from you!

Sincerely,

Cathy Heimsoth
